REVIEW OF INDIVIDUAL ASSESSMENT TASKS, EXAMINATIONS AND UNIT RESULTS

Informal Review

- 1 A Student who has reason to believe that their grade/result for an Assessment Task, Examination or Unit (excluding a Thesis classification for a Candidate) does not reflect their level of achievement, may ask (using the Prescribed Process) their assessor, Unit Coordinator or Principal Supervisor, for an Informal Review of their grade/result. The University has a responsibility to provide an Informal Review.
- 2 As part of the Informal Review, the assessor, Unit Coordinator or Principal Supervisor is to provide feedback on the Student's performance. A Student may ask to see their own Assessment Task or Examination script, and any relevant marking guide or materials.
- 3 The Unit Coordinator, the assessor in consultation with the Unit Coordinator, or the Principal Supervisor, may (but is not obliged to) revise the grade/result awarded for an Assessment Task, Examination or Unit as part of the Informal Review process, having regard to equity matters in relation to other Students enrolled in the Unit when revising a grade/result.
- 4 Within 7 days of undertaking an Informal Review, the assessor, Unit Coordinator or Principal Supervisor will confirm in writing (using the Prescribed Process) the outcome of the Informal Review.

Formal Review

- 5 A Student may only request a Formal Review if they can demonstrate that they have engaged or attempted to engage in the Informal Review process in relation to the grade/result.
- 6 A Student who is dissatisfied with the outcome of an Informal Review, and who considers their result for an Assessment Task, Examination or Unit (excluding a Thesis classification for a Candidate) does not accurately reflect their level of achievement, may lodge a request for a Formal Review (using the Prescribed Process) of their result on any one or more of the following grounds:
 - 6.1 the result was not determined in accordance with the method or criteria specified in the relevant Unit outline or other written advice given by the University to the Student;
 - 6.2 the University has not adhered to its relevant Rules and policies;
 - 6.3 the result was affected by discrimination, prejudice, or bias against a Student; or
 - 6.4 the result contained, was based on, or was caused by, a clear error.
- 7 A Student may not request a Formal Review based on or in relation to any of the following matters:
 - 7.1 the approved learning outcomes and Assessment Task methods for the Unit;
 - 7.2 the assessor's judgement regarding the academic merit of any work submitted for an Assessment Task, Examination or Unit;
 - 7.3 the assessor's determination of the level of performance or standard required by a Student to achieve particular marks, including language proficiency;
 - 7.4 the Student's personal, financial, visa or medical difficulties experienced whilst completing an Assessment Task, Examination and Unit;
 - 7.5 financial, career, visa or other personal implications of not passing or achieving a particular grade/result in an Assessment Task, Examination or Unit;
 - 7.6 grade/results received by the Student, or by other Students, in the same or other Units;
 - 7.7 the amount of effort put into work completed by the Student; or

- 7.8 an Outcome imposed for Academic Misconduct or Academic Breach.
- 8 A request for a Formal Review of:
- 8.1 an individual Assessment Task or Examination, must be lodged within 21 days of the result becoming available; or
- 8.2 a final Unit result, must be lodged within 30 days of the result becoming available.
- 9 A request for a Formal Review must be lodged using the relevant Prescribed Process to the Director, Student Life, and must include any available evidence. Where a Student wishes to lodge a request for a Formal Review outside of the periods described in paragraph 8, the Student must include sufficient reasons and evidence as to why their request should be considered out of time. The Director, Student Life may in their absolute discretion, either in Exceptional Circumstances or where delay has been caused by the University, approve for review a request submitted outside of this period.
- 10 A request that does not use the Prescribed Process, is incomplete or inadequate, does not provide relevant evidence, or seeks an outcome that is not permissible under these Rules, will be returned to the Student, providing reasons for the rejection and notifying the Student that they may resubmit the request within a further 7 days.
- 11 Once accepted or resubmitted, the request will be referred to the relevant School or Teaching Area. A Formal Review will be conducted and determined by the relevant Associate Dean (Teaching and Learning), or in relation to Thesis Units, by the relevant Associate Dean (Research). If the Associate Dean (Teaching and Learning) or Associate Dean (Research) has a Conflict of Interest, they will refer the request to another Associate Dean who is not conflicted.
- 12 In conducting the review, the Associate Dean may, but is not obliged to:
- 12.1 consult with any relevant Staff member, including the assessor, Unit Coordinator and Course Coordinator; and
- 12.2 seek advice from relevant subject matter experts within the University, provided such experts do not have a Conflict of Interest.
- 13 Within 14 days of the Student's request for a Formal Review (or resubmission of a request for a Formal Review under paragraph 10) the:
- 13.1 Associate Dean:

- 13.1.2 may nominate an alternative qualified person (which may be themselves) to conduct a review or recommend an adjustment to the result/grade; and
- 13.1.3 will determine (with reasons) whether the result/grade should be confirmed, varied or set aside, and what other actions (if any) are to be taken (a result may be lowered or increased in appropriate circumstances as part of a formal review); and
- 13.2 University will notify the Student in writing of the Formal Review outcome including reasons for any decision made and will record this notification in its Student management system(s).

 - 14.4.2 such circumstances were not reasonably foreseeable before the relevant Teaching Period began; and
 - 14.4.3 where a Learning Assessment Plan is in place, that such circumstances fall outside of, or are a substantial deviation from the content of, the Learning Assessment Plan.
- 15 The existence of any of the circumstances in paragraph 14 does not in itself mean that an Academic Progression Status Review will be successful, or that a Student will be allowed to repeat a Unit where this is not permitted by the Rules.
- 16 A Student may not request an Academic Progression Status Review on any of the following grounds:
- 16.1 personal, financial, visa or medical problems not referred to in paragraph 14.4;
 - 16.2 financial, career, visa or other personal implications of the Academic Progression Status given;

The Director, Student Life may in Exceptional Circumstances and in their absolute discretion, approve for review a request submitted outside of the period described in paragraph 17 above.
- 19 A request that does not use the Prescribed Process, is incomplete or inadequate, does not provide relevant evidence, or seeks an outcome that is not permissible under these Rules, will be returned to the Student, where practicable, providing reasons for the rejection and directing the Student to resubmit the request within 7 days.
- 20 Once accepted or resubmitted, the request will be referred to the relevant School or Teaching Area. An Academic Progression Status Review will be conducted and determined by the relevant Associate Dean (Teaching and Learning), or in relation to Candidates, by the relevant Associate Dean (Research). If the Associate Dean (Teaching and Learning) or Associate Dean (Research) has a Conflict of Interest, they will refer the request to another Associate Dean who is not conflicted.
- 21 In reaching their determination, the Associate Dean may, but is not obliged to:
- 21.1 consult with any relevant member of Staff, including the assessor, Unit Coordinator and Course Coordinator;
 - 21.2 seek advice from relevant subject matter experts within the University, provided such experts do not have a Conflict of Interest; and
 - 21.3 conduct an interview with the Student, in accordance with the following principles;

- 21.3.1 the Associate Dean may nominate the relevant Course Coordinator to conduct the interview and provide a written summary of relevant matters (including the Student's response to any relevant matters);

 - 21.3.5 Students must be given an opportunity to comment on all relevant matters.
- 22** Within 21 days of the Student's request for an Academic Progression Status Review, the:
- 22.1 Associate Dean will determine whether the Student's Academic Progression Status should be confirmed, varied or set aside, and what other actions (if any) are to be taken; and
 - 22.2 University will notify the Student in writing of the Academic Progression Status Review and the reasons for the decision.
- 23** A Student may be accompanied at an Informal Review or Formal Review by a Student Guild representative, friend, or family member, but may not be legally represented. The accompanying person may only act as the Student's support person, and may only act as the Student's advocate where invited to do so by the Staff member conducting the review.

- 2 Any member appointed under paragraph 1 can be re-appointed after the expiry of their previous term, but may not be appointed for more than two consecutive terms.
- 3 For any matter to be heard by the Student Appeals Committee, the chairperson, or if the chairperson is unavailable or has a Conflict of Interest, then a deputy chairperson, will convene a meeting of a committee of the Student Appeals Committee to hear and determine (as a decision of the Student Appeals Committee) the relevant matter(s). The convened committee will consist of four committee members, namely:

- 4 The quorum for a meeting of the Student Appeals Committee is three of these members, one of whom must be the chairperson or deputy chairperson.
- 5 University staff members on the convened committee must all be from Schools that are different to each other, and must be from a School which is different to the Student who has lodged the appeal.
- 6 A member of the Student Appeals Committee must not participate in a committee meeting if they:
 - 6.1 were directly associated with the decision that is the subject of the appeal; or
 - 6.2 have a Conflict of Interest relating to the appeal being considered.
- 7 The convened committee as constituted at the commencement of a hearing may continue to hear an appeal under these Rules, notwithstanding the expiry of the term of appointment or office of any member of the

convened committee, provided that the relevant member continues to be employed by or enrolled at the University.

- 8 The Director, Strategic and Governance Services will appoint one or more persons to act as SAC Executive Officer to assist the Student Appeals Committee. A SAC Executive Officer may assist during any Student Appeals Committee hearing, but will not be entitled to vote on any Student Appeals Committee decision.

- 10 A Student may appeal a decision referred to in paragraph 9 on one or more of the following grounds:
- 10.1 the decision was affected by discrimination, prejudice, or bias against a Student;

 - 10.3 the decision was made contrary to the evidence provided to the relevant decision-maker;
 - 10.4 there is new additional information available, which was not available to the previous decision-maker, which may alter the outcome of the previous decision (information that was available, or that could have been obtained by the Student at the relevant time, but was not provided to the previous decision-maker, will not be considered by the Student Appeals Committee); or
 - 10.5 grounds prescribed in other University Rules affecting the relevant decision.
- 11 The application for appeal will be referred to the Director, Strategic and Governance Services Centre using the Prescribed Process. An application for appeal that is not made using the Prescribed Process, or that the Director, Strategic and Governance Services Centre decides (in their absolute discretion) is incomplete or manifestly inadequate, may be returned to the Student within 7 days, together with a written explanation of the inadequacy. The Student may then within a further 7 days re-submit their appeal in accordance with the Prescribed Process. The Director, Strategic and Governance Services Centre is not obliged to return an application more than once. Any resubmitted documentation will be considered as it is presented to the Student Appeals Committee.
- 12 Where a Student wishes to lodge an appeal to the Student Appeals Committee outside of the periods described in paragraph 9 or 11, the Student must provide sufficient reasons and evidence as to why their request should be considered out of time. - 13 The SAC Executive Officer will refer an accepted or resubmitted appeal to either the chairperson or a deputy chairperson of the Student Appeals Committee.
- 14 If the chairperson or a deputy chairperson determines that the appeal is frivolous, vexatious or devoid of merit, or has already been determined in a previous appeal, the appeal may be dismissed. This dismissal will be communicated to the Student and recorded in the University's Student management system(s).
- 15 If the appeal is not dismissed, the chairperson or a deputy chairperson will convene a hearing of a panel of the Student Appeals Committee. The Student Appeals Committee:
 - 15.1 will give the Student a minimum of 5 days' notice of the hearing date;
 - 15.2 may consider evidence presented by University staff member(s) in response to the appeal;
 - 15.3 may (but is not obliged to) request the Student or Staff member(s) to provide further written material on parts or all of the appeal;
 - 15.4 may decide on the matters on which it will hear oral evidence or argument;
 - 15.5 will invite oral submissions from both the Student and appropriate University Staff member(s), and provide opportunities for each party to comment on or question the submission(s) of the other at the hearing;
 - 15.6 may limit the time available for presenting the respective cases of parties before it at a hearing, to an extent that it considers it would not impede a fair and adequate hearing of the matter; and
 - 15.7 may adjourn a hearing at any time.
- 16 The hearing may, at the chairperson's or a deputy chairperson's discretion, be conducted in person, by telephone, teleconference or videoconference or by any other means, provided that the Student's preference is considered when making that decision.
- 17 Where Staff provide written material before the hearing, the Student will be provided with a copy of such material and given reasonable opportunity at or before the hearing to respond to it.
- 18 If the Student does not attend their scheduled hearing, then the Student Appeals Committee may in any event determine the appeal based on the evidence before it, including any new evidence, and including any evidence presented by Staff to the Student Appeals Committee at the hearing.
- 19 The Student may appoint a Student Guild representative, friend, or family member to act as an advocate to conduct the appeal on the Student's behalf or otherwise accompany or assist them in relation to the appeal, but may not be legally represented at the hearing.

DECISIONS OF STUDENT APPEALS COMMITTEE:

- 20 The Student Appeals Committee will conduct a hearing to affirm, vary or set aside an appealed decision within 21 days of the date on which the appeal was submitted (or resubmitted under paragraph 11), or such longer period as may be approved by the Chairperson or a Deputy Chairperson of the Student Appeals Committee, acting reasonably. The Student Appeals Committee may, where appropriate, set aside the appealed decision and request that the original decision-maker or an Associate Dean remake it. Alternatively, the Student Appeals Committee may substitute its own decision or outcome.
- 21 Each member of the Student Appeals Committee involved in the hearing of an appeal, including the chairperson or a deputy chairperson, will have one deliberative vote only. In the event of a tied vote, the appeal will be declared lost and will be dismissed.

- 24 The Student Appeals Committee may, in its absolute discretion, consolidate or separate appeals, and may make one consolidated determination addressing all matters, having due regard to principles of natural justice.
- 25 The Student Appeals Committee is the final avenue of appeal within the University.

PROVISIONAL ENROLMENT

- 26 A Student who has had their enrolment restricted or cancelled pursuant to Rule 3.5.4 (Inherent Requirements) or Rule 3.5.5 (Fitness To Study), or under the [General Misconduct Rules \(Students\)](#), will not be entitled to provisionally enrol.
- 27 If a Student is not entitled to be enrolled in a Unit because they have not met a prerequisite or co-requisite requirement, or have not passed a Designated Unit, and the success of their pending Formal Review or appeal would give them an opportunity to meet the prerequisite or co-requisite requirement or pass the Designated Unit, then the Student may only provisionally enrol in the Unit with the authority of the Director, Student Administration and the relevant Associate Dean (Teaching and Learning), which authority may be withheld on any reasonable ground.
- 28 Subject to paragraph 26 and 27 (which are paramount), a Student who:
- 28.1 has been Excluded (Purple Status); and
 - 28.2 lodges any request for a Formal Review, Academic Progression Status Review or appeal to the Student Appeals Committee, the result of which may affect their Academic Progression Status,
- pending the determination of the review or appeal, will have a provisional Red Status assigned to them, and will be entitled to enrol in Units on a provisional basis.
- 29 Provisional enrolment is allowed upon the condition that the Student will not have the right to claim disadvantage or compensation (subject to paragraph 31) if the Student's Formal Review, Academic Progression Status Review or appeal is dismissed after completion of any or all Unit requirements or purchase of Unit materials.
- 30 Provisional enrolment will be Cancelled where:
- 30.1 the Formal Review is dismissed, and the Student does not lodge an appeal to the Student Appeals Committee within the relevant time; or
 - 30.2 an appeal to the Student Appeals Committee is dismissed.
